Notes

- In 1997 the government introduced new rules for the Driving Test which removed the automatic entitlement for drivers to drive a minibus (shown as D1 on the new style license).
- New Drivers passing their Driving Test after 1997 will need to take a second test for D1.
- All drivers must be less than 70 years of age. Our insurance do not cover anyone 70 years old or older so if you do drive when you are 70 or over you will be doing so illegally and without insurance.
- It is the Driver's responsibility to advise 'Share A Bus' of any changes to the information on this form.

I declare that, to my best of my knowledge and belief, the statements made on this form are true and complete. I authorize 'Share A Bus' to make this completed form available to their insurers if required.
